WHY DO WE CELEBRATE NAVRATRI?
...COME AND FIND OUT!!!

AARTI NI THALI
COMPETITION

On Sunday 11th October

It's that time of year again where we all dress up in our glamorous chanya cholis and stunning kurtas to celebrate Navratri through our fantastic dancing!

Navratri at Shishukunj is **special** because we have our **very own baalako** organising and participating in this colourful festival. It gives us the opportunity to dance non-stop till we drop and for our baalako to take the stage and show off their many talents. However, do we ever think **why** we celebrate Navratri? What for? What **IS** the story behind Navratri? **This year** you will **experience** and **discover** the true meaning of Navratri!

When we think of Navratri we think of **bright lights**, **spinning dandhiyas**, **incredible music**, **loud clapping**, and a **room full of colour**. All these small aspects of Navratri come together to create a beautiful atmosphere for us all to enjoy. I would like all of you to take part in creating this atmosphere by making an Aarti ni thali during Kendra activities which will be entered into an exciting competition. Please remember to bring your thali's on Sunday 11th October.

This event is open to all Shishukunj members and their immediate families. Parking will be available at the school. Those of you who are attending are requested to wear colourful traditional clothing. Please refrain from wearing anything black. We advise you to bring your own dandhiyas.

We look forward to seeing you all there!
